1. **The House in Fata Morgana - Dreams of the Revenants Edition -**

Platform: Switch
April 9, 2021

A gothic suspense tale set in a cursed mansion. 'The House in Fata Morgana' is a full-length visual novel spanning nearly a millennium that deals in tragedy, human nature, and insanity. This version includes three games and more: 1: The House in Fata Morgana: the main storyline. 2: A Requiem for Innocence: a prequel shedding light on the origins of Fata Morgana's terrible curse. 3: Reincarnation: a sequel featuring the central cast members reincarnated in the present day. *The part including voices 4: Other additional short stories.

By far one of the best visual novels out there, both the art and the music are outstanding, and it's rare to find writing so solid and compelling in this medium. Its aesthetic and the quality of the story also make it a great title for all sorts of newcomers to the visual novel medium. I can't wait to find out what the developers have in store next.
